From the beautiful Willamette Valley in Oregon, artist **Jane Shasky** paints beautifully-detailed watercolors celebrating the flowers, plant and birdlife surrounding her home. Her paintings are remarkable for their detail and warm love of life. To see Jane's work is to experience the timeless cycle of seasons; from the bounty of summer flowers and fresh-picked herbs to the delightful visitations of native birds perched among autumn leaves or singing from snowy winter branches in the nearby trees. In every scene she captures, Jane pays precise, almost photographic attention to color and detail, yet somehow still conveys the magic and sense of wonder at the nature all around her. With every stroke of her brush, she creates a feeling of serenity that brings the joy, grace and peace of the garden indoors. *(All artwork ©Jane Shasky)*
